The LAMP staff wishes to thank Jenks Studio for their assistance and untiring efforts in helping us make this 1966 edition a success.

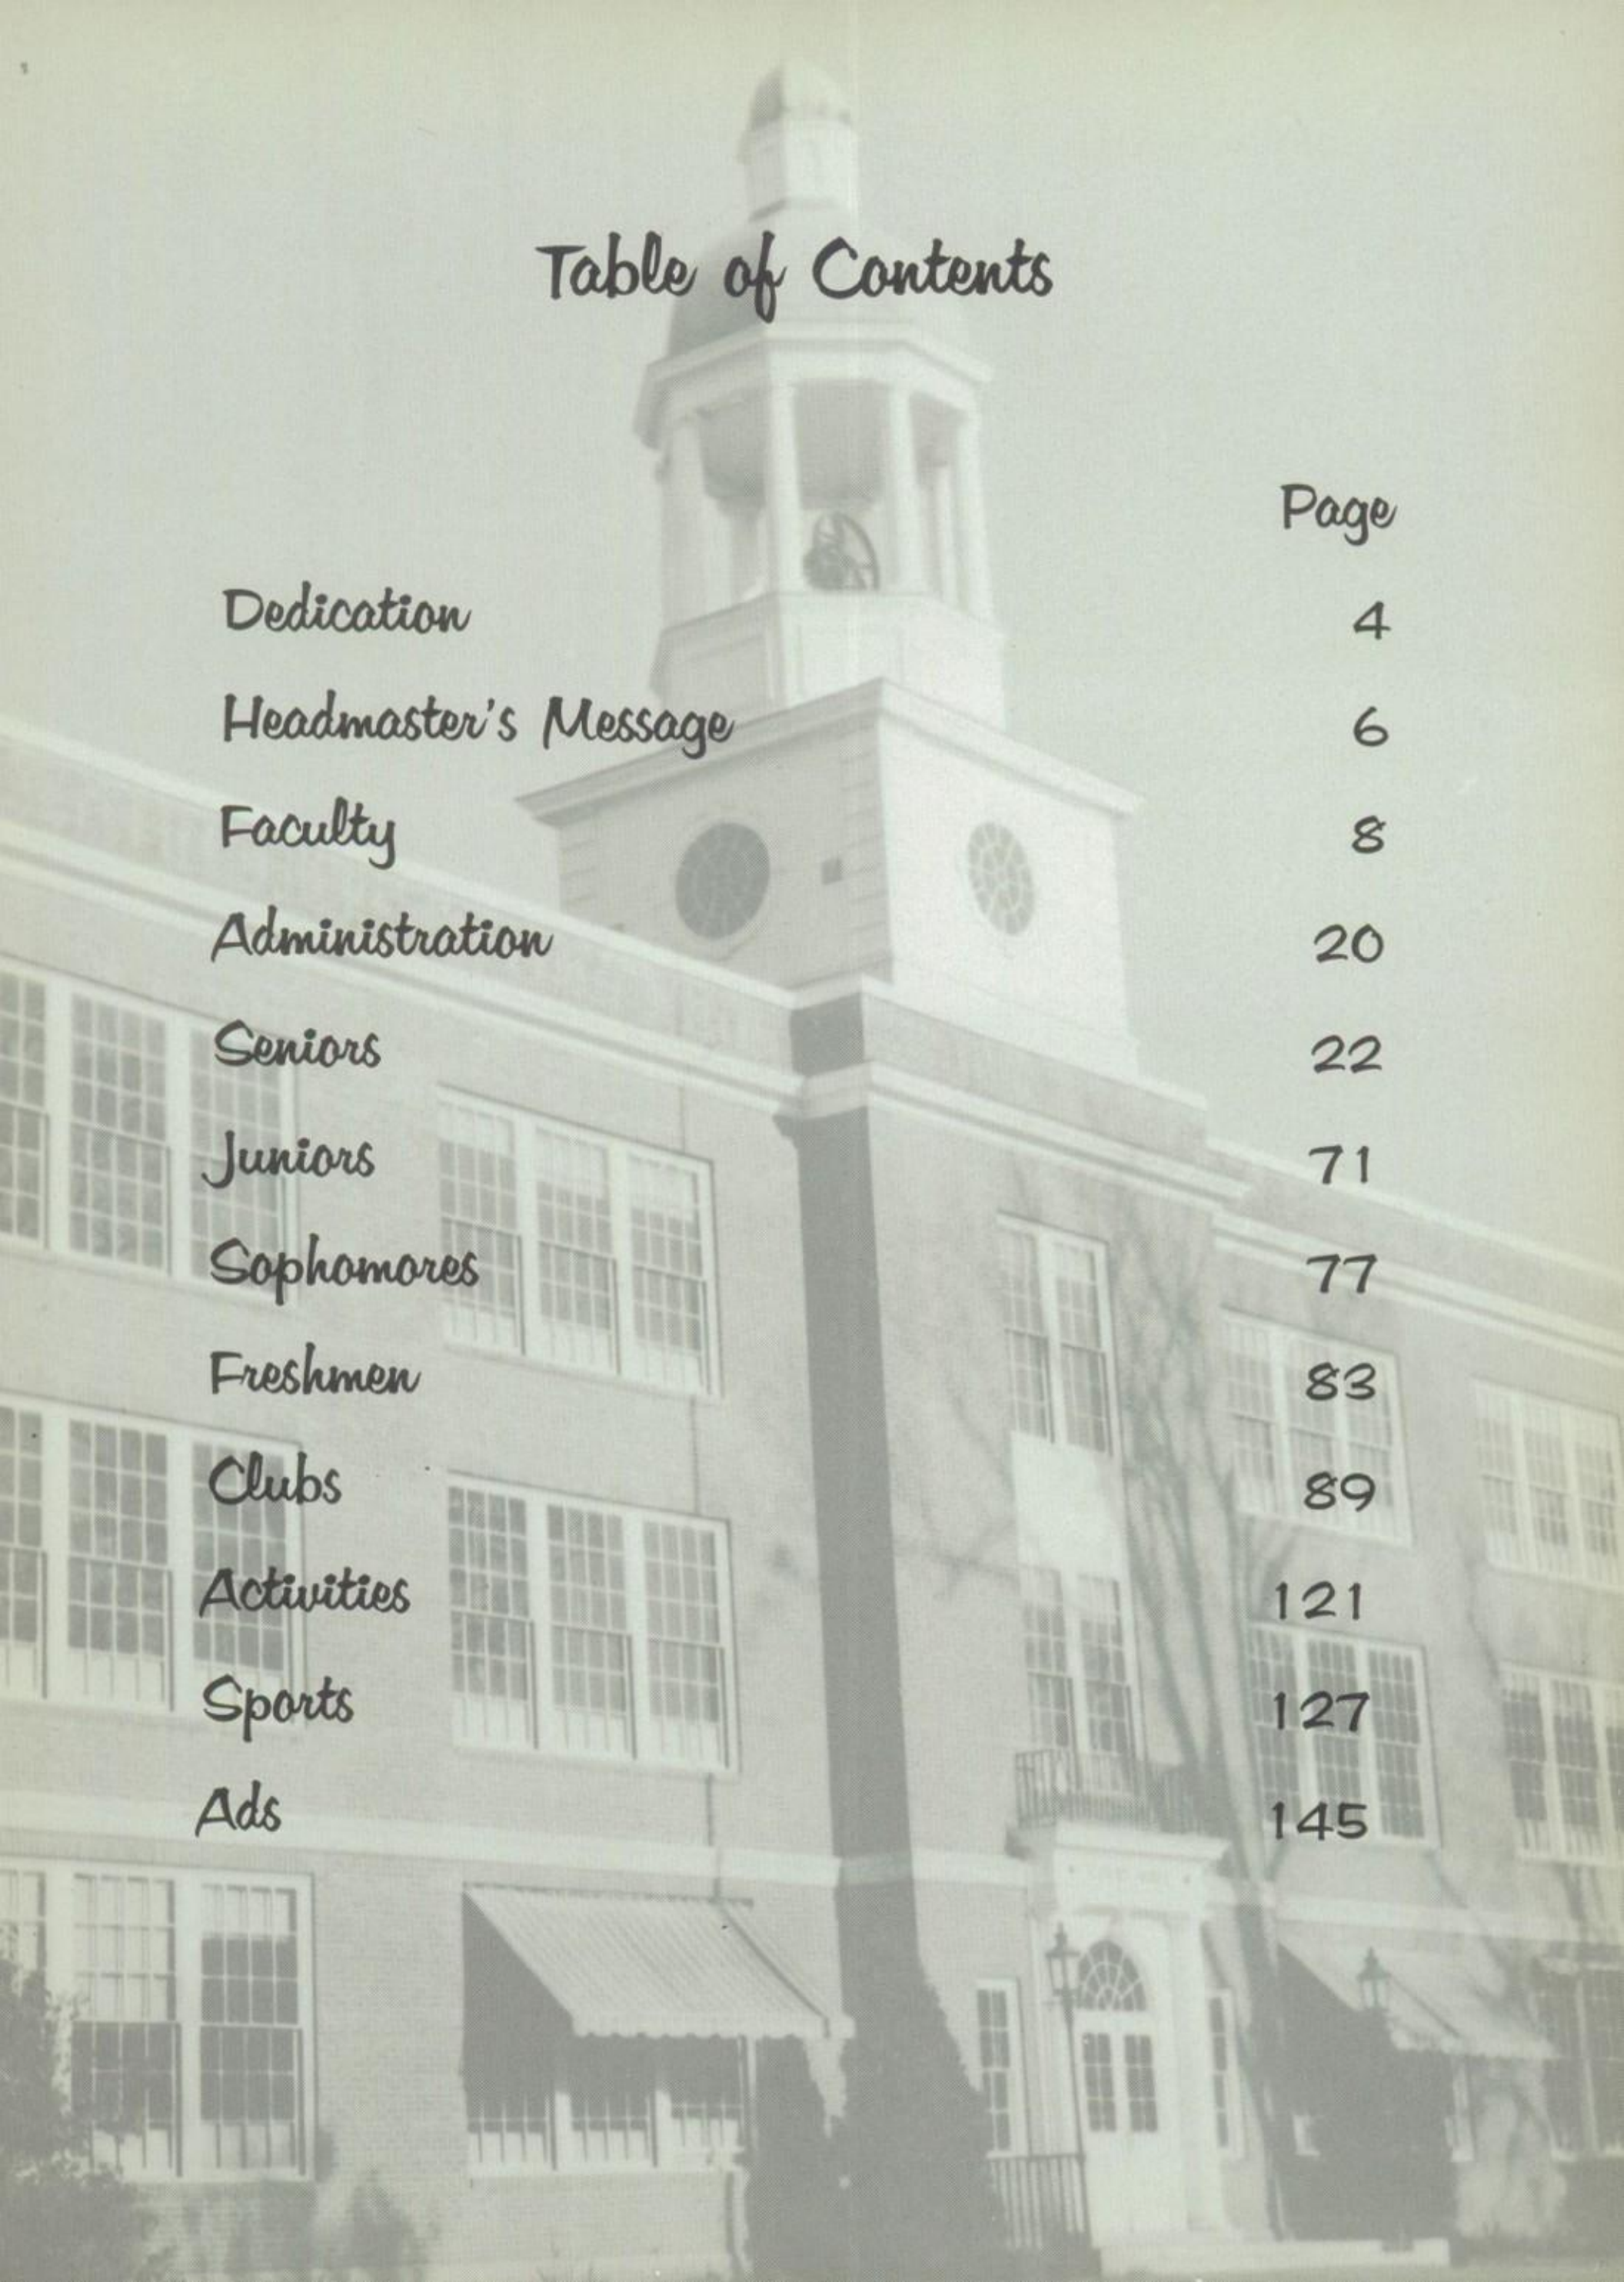

The background of the page is a sepia-toned photograph of a large, multi-story school building. The building features a prominent central clock tower with a square base and a multi-tiered, octagonal top. The tower has arched windows and a small cupola at the very top. The main body of the building has numerous rectangular windows, some with white frames. At the base of the building, there are awnings over the entrances and a small set of stairs leading to a main entrance. The overall style is that of a vintage yearbook or school directory.

J. Leo Messier

The Senior Class Proudly Dedicates the 1966 Lamp to Mr. J. Leo Messier.

Mr. Messier attended the University of Montreal at Montreal, Quebec, Canada. There he received a Bachelor's degree in music and also his Master's degree.

He came to St. Johnsbury Academy in October of 1944 on a "temporary" basis. He was to fill in until another instructor was found. His "substitute" job soon became quite permanent, as he took over the duties of director of the Band and Orchestra.

Mr. Messier's musical activities are not confined to the Academy. He also directs the Junior High School Band and gives private music lessons. Mr. Messier lives in Montpelier, Vermont; and, after spending three days each week in St. Johnsbury, he returns home and directs the musical activities of Northfield High School. Each year Mr. Messier takes a group of Academy students to the Mount Royal International Music Festival in Montreal. This year marks his third year as a guest conductor at this festival.

We, the Class of 1966, are very grateful to Mr. Messier for his contributions to the musical department of the Academy, and we proudly dedicate the 1966 "Lamp" to him.

Donald M. Jacobs, Headmaster

To The Class of 1966:

Four years have passed all too swiftly and each of you must now engage in the pursuit of your individual goals. It is not important that these goals be clearly defined, but it is important that you set your sights high and that you proceed without interruption, guided by moral, spiritual and ethical values symbolic of your heritage.

During the years at the Academy, you have acquired new skills and new knowledge, you have developed talents, you have made critical decisions, and you have been exposed to a bounty of experiences in concert with fellow students. Your future will require further expansion of your resources and, at times, will test the endurance of your emotions. How well you react to these pressures will attest to the lasting quality of your learning.

My thoughts go with you as you leave the Academy. I cannot wish you an easy, effortless, unchallenging, carefree life. To do so would deprive you of valuable experiences and rob you of life's important treasures. I do, with all sincerity, wish you the many successes you richly deserve, thinking often of the essential precepts acquired through your association with the Academy.

Sincerely,

Donald M. Jacobs
Headmaster

Future Homemakers of America

G. Locke, S. Clark, S. McChesney, D. Lord
PRES. SEC. TREAS. V. PRES.

The Future Homemakers of America is a national and state organization with a goal to help individuals to improve personal, family, and community living. The St. Johnsbury Academy chapter meetings are held twice a month during the noon lunch hour to work on and carry out their state and national goals.

1st ROW: L. Horne, S. Clark, G. Locke, D. Lord, S. McChesney. 2nd ROW: P. Bent, G. Potter, J. Minshull, B. McDowell, J. Goodwin, Miss Shaw. 3rd ROW: P. Bergeron, R. Sherburne, J. Davio, L. Clark, S. Wood. Missing: I. Rutledge.

F.H.A. MAKES PLANS TO RAISE MONEY

The projects this year to raise money have been selling cooking books and having brownie sales. This money is used to help send delegates to the annual state meeting in the Spring.

Light and Shadow Club

1st ROW: L. Crane, M. Murphy, J. St. Peter, J. Laferriere, G. Sweeny
2nd ROW: G. Blasi, W. Filgate, D. Brown, R. Hall

PRESIDENT: John St. Peter

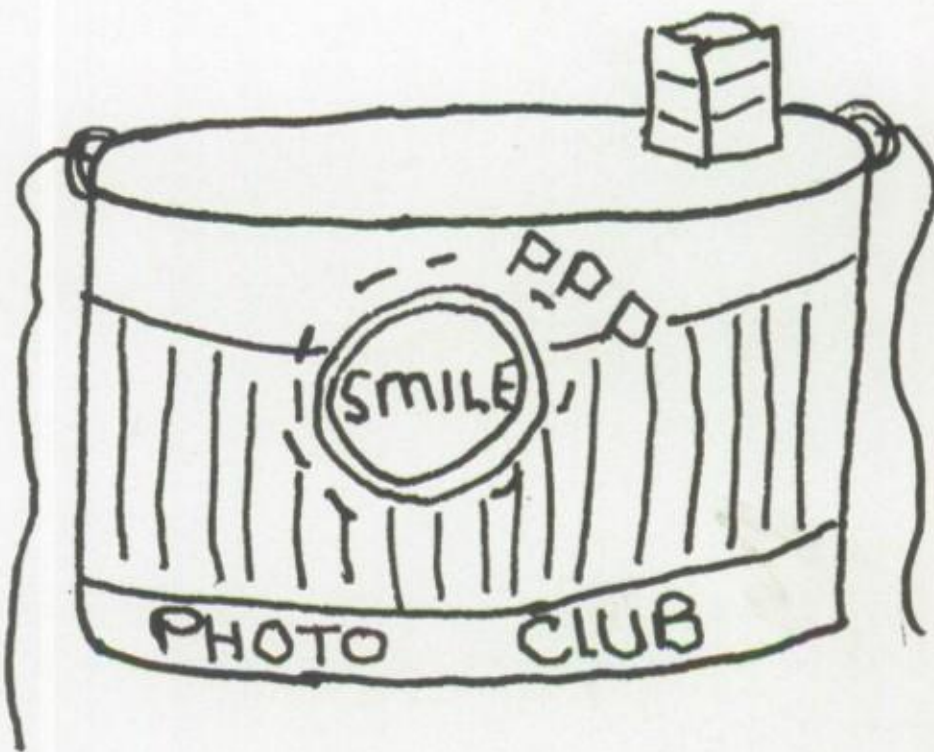

VICE-PRESIDENT: Jack Laferriere

SEC.-TREASURER: Mary Murphy

The Light and Shadow Club, better known as the Photography Club, has been very active this year in taking formal pictures for the "Lamp" and in printing up their annual Christmas cards.

This year much emphasis was placed on individual instruction in darkroom techniques, and it is hoped that in the future years more students will be taking a more active and serious part in the activities of the Photography Club. This individual instruction in photography was aided by the Eastman Kodak Co., who supplied free material for the club's use.

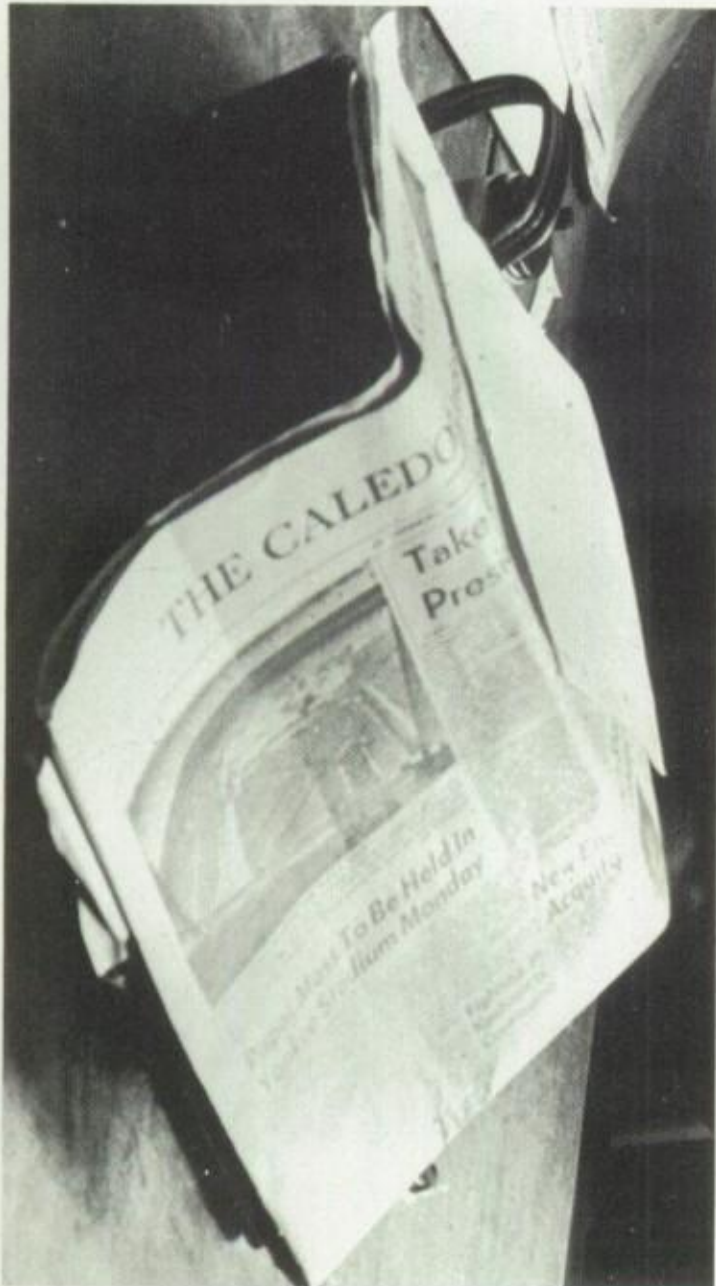

The yearbook staff extends sincere thanks to the Light and Shadow Club for its active participation in the production of this year's "Lamp."

Press Club

1st ROW: P. Dunbar, J. Simpson, S. Sherrer, P. Albee
 2nd ROW: P. Collins, J. Carpenter, M. Barney, P. Lacroix
 Missing: B. Davis

PRESIDENT: Jo-Ann Simpson
 SECRETARY: Susan Sherrer
 ADVISER: Mr. Mottram

Members of the press club can be found busily bent over paper, writing their latest articles on the news and happenings of St. Johnsbury Academy for the weekly "Spotlight on Schools" in the Caledonian. Unlike other clubs concerned with writing, these members have had deadlines to meet weekly; Thursdays at 4:00. This has meant extra hours on their part in publicizing more widely the activities of the Academy. Part of the success of this year's work must be given to the willingness of Miss Pickles, Miss Grady, and Mr. Mottram in assisting the members with the writing of their articles.

Library Aides

1st ROW: M. Desrochers, I. Rutledge, S. Willey, J. Lemieux, R. Kittredge C. Bohlen, K. Mumford, T. Duguay, J. Goodwin, J. Emmons

2nd ROW: M. Pelow, S. Remick, K. Kellogg, B. Knapp, P. Curran, M. Murphy, V. Barrett, S. Gauthier, C. James, C. Robinson, K. Ward, C. Stables, W. Rexford, P. Goodenough, C. Nemitz, K. Lapoint, J. Greenwood

3rd ROW: B. Gould, G. Blasi, M. Lumbra, T. Emmons, H. Smith, B. Passut, K. Brown, G. Canns, J. Davio, P. Kellogg, D. St. Sauveur, J. Basnar, J. Barron, D. Basnar, G. Degrenier.

Missing: L. Amidon, B. Bahrt, R. Bedard, J. Brooks, J. Calden, B. Chambers, T. Daigneault, N. Fortin, D. Frasier, M. Gregoire, N. Jenkins, L. Laferriere, J. Lemieux, M. Miller, S. Noyes, B. Perkins, P. Therrien, L. Toney, S. Veilleux, R. Whipple.

ADVISER: Miss Stevens

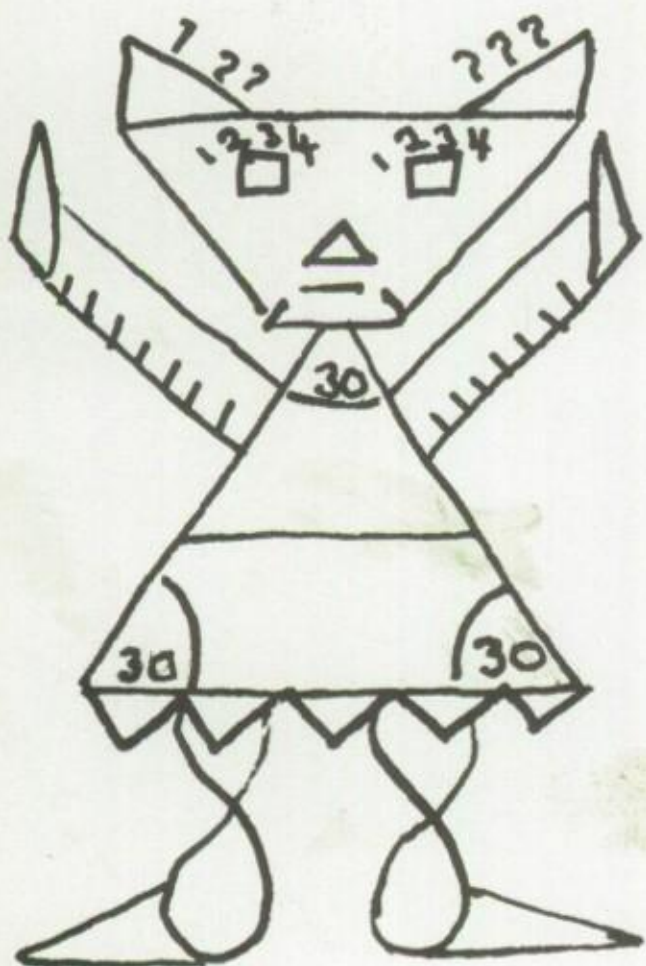

The Library Club did not function as a club this year, but anyone interested in learning the "ropes" of the library system could volunteer to be an "aide". During their study hall periods, the aides' duties include: working at the circulation desk, "reading shelves," keeping books in order, running errands, and dusting books. Those aides serving for one or more years are entitled to wear the library pin, which bears the traditional lamp and the year of graduation.

Math Club

S. Gonyaw, Mrs. Byrne, W. Sass, B. Ross, D. Brown

PRESIDENT: Bonnie Ross

ADVISER: Mrs. Byrne

The Math Club did not confine its activities to just its members. This year the club, with the assistance of Mr. Reeve, sponsored an instruction course for all those interested in the use of a slide rule.

To show that mathematics isn't all hard work, the members posted a weekly math puzzle on a bulletin board to be solved by all desiring to test their skill. During their meetings, the members solved logic problems using a homemade logic board.

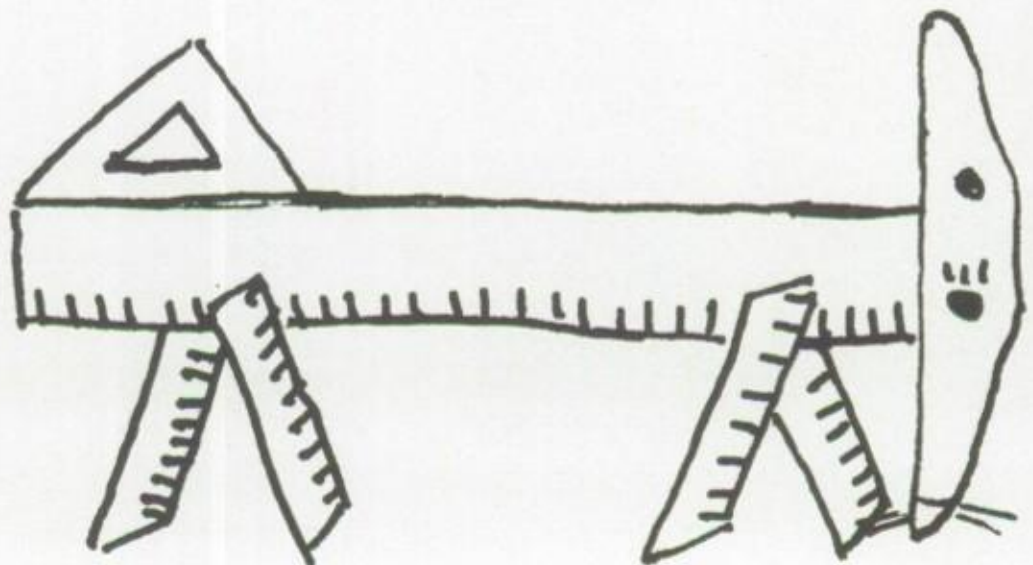

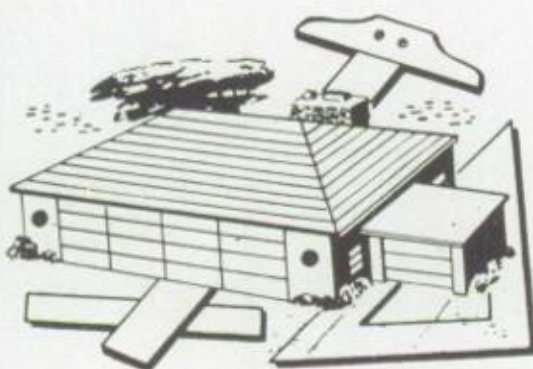

S.M.A.C.

PRESIDENT: Jeff Gravett
TREASURER: Delbert Reed
SECRETARY: Greg Sweeny
ADVISER: Mr. Frey

The SMAC, under the advisership of Mr. Frey, has completed building the scale model of the school and grounds and is now in the process of adding to the surrounding area. Their next projects are the Trade School, New Eng. Tel. and Tel. building, and the South Congregational Church. The officers and club members are working diligently in the hopes of completing these projects and are looking forward to starting another one.

The band strikes up the cadence! Batons begin to mark time. Left, right, left, right... Majorettes are the finishing touches to any band, and this year's group is no exception. Under Sue's leadership, the majorettes pranced at rallies, football games, and finally at the Washington Cherry Blossom Festival. They have always added the "eye-sight" to the band, and anyone who has ever seen a band without majorettes can surely appreciate these "high-steppers" to the utmost degree.

The Orchestra started its year by presenting a few numbers in Chapel to help promote the Christmas spirit. In January a number of members left for the Mount Royal Music Festival in Montreal. March found the Orchestra getting ready for their annual joint concert with Northfield. In the spring a few members went to the Allstate Music Festival in Burlington. They finished out the year with the Commencement Concert.

The Orchestra is grateful to Mr. Messier for all the patience and time he has put into this active organization.

Monitors

The group of students chosen by the student body twice a year to govern the corridors goes under the heading of Monitors. Their functions as "police officers" are to maintain order in and around the school, to assist in the administration of discipline and to uphold the ideals of the Academy. Although sometimes scorned by "maldoers," this organization has to be credited for its part in managing the student body.

 ADVISOR: Mr. Pierce

The Student Council, a group of industrious students elected to represent their various classes and homerooms, sponsored the annual Magazine Drive, which was extremely successful as they went over the six thousand dollar goal. This active club also held Variety Clothes Days which were very popular as students and teachers paraded through the halls in their original outfits.

The main goal of the Student Council organization is to make and enforce the school rules and aid the headmaster in the governing of the student body.

This year, the "Student" staff, under the skillful guidance of Alice Kitchel and Jo-Ann Simpson, has been a great success. The newspaper relates the different events in and around the school. Our German exchange student, Andreas Kunz, has written some interesting articles on German schools, while columns such as "Can You Imagine" and "45 Review" are sure to make you smile. Also, the dorm students express their problems and ideas in "Brantview Briefs", and "Fairbanks Fables." No newspaper would be complete without its sport section. The "Student" is to be complimented on its publications.

ADVISER: Mr. Easterling

Under the direction of Mr. Easterling, the Lyceum has once again become a very active organization at the Academy. Meeting twice monthly at the homes of members, this group of interested Juniors and Seniors discussed selections from the works of Bacon, Rabelais, Rousseau, Shakespeare and Aristotle.

The Lyceum also sponsored the very successful paper-back book fair. Mr. Easterling would like to use these funds for the purchase of a new series of books for next year's group.

We of the "Lamp" would like to congratulate this very worthwhile organization on its contribution to the academic side of the school and wish next year's group good luck.

This year the members of the Art Club have strived for quality rather than quantity. They have demonstrated their abilities by organizing art exhibits for various windows in town. The club framed the pictures to be used, arranged the displays, and managed the other things pertinent to each affair.

Each year the Art Club sponsors a Sidewalk Art Exhibit during commencement weekend. This is now an annual event and is held on the lawns of the St. Johnsbury Academy.

FORENSIC CLUB NEWLY FORMED

The Forensic Club is a new organization this year which replaces the former Debate-Club at the Academy. A Forensic Club usually concerns itself mostly with debating, but this particular aspect was shelved temporarily.

The Forensic Club put on a one-act comedy drama during a clinic at Goddard College on February 12 titled "The Glorified Brat." Several of the members attended the Speech Festival held at UVM in April. The group also headed a few assembly periods.

Mr. Mayo, Mr. Plummer, and Mr. Rough are to be congratulated on their interest in this area and the formation of this organization.

The ski season was great this year, with plenty of snow for everyone! The Ski Club also had plenty of activities lined up for its members. This year the club sponsored standard races for all ski abilities. The winner received an award, not according to place, but according to a set time. This gave the less skilled enthusiast the opportunity to compete fairly in his own group.

The year finally ended with a spring conditioning hike, with the idea that it would be the beginning of keeping in shape for next year's ski season.

The Radio Club brings notice to the general public concerning different events and activities of the Academy.

The Lamp expresses its thanks to the Radio Group for its service to the Academy.

Band Marches in Washington's Cherry Festival

PRESIDENT: Raymond Racine

VICE-PRESIDENT: Janet Drown

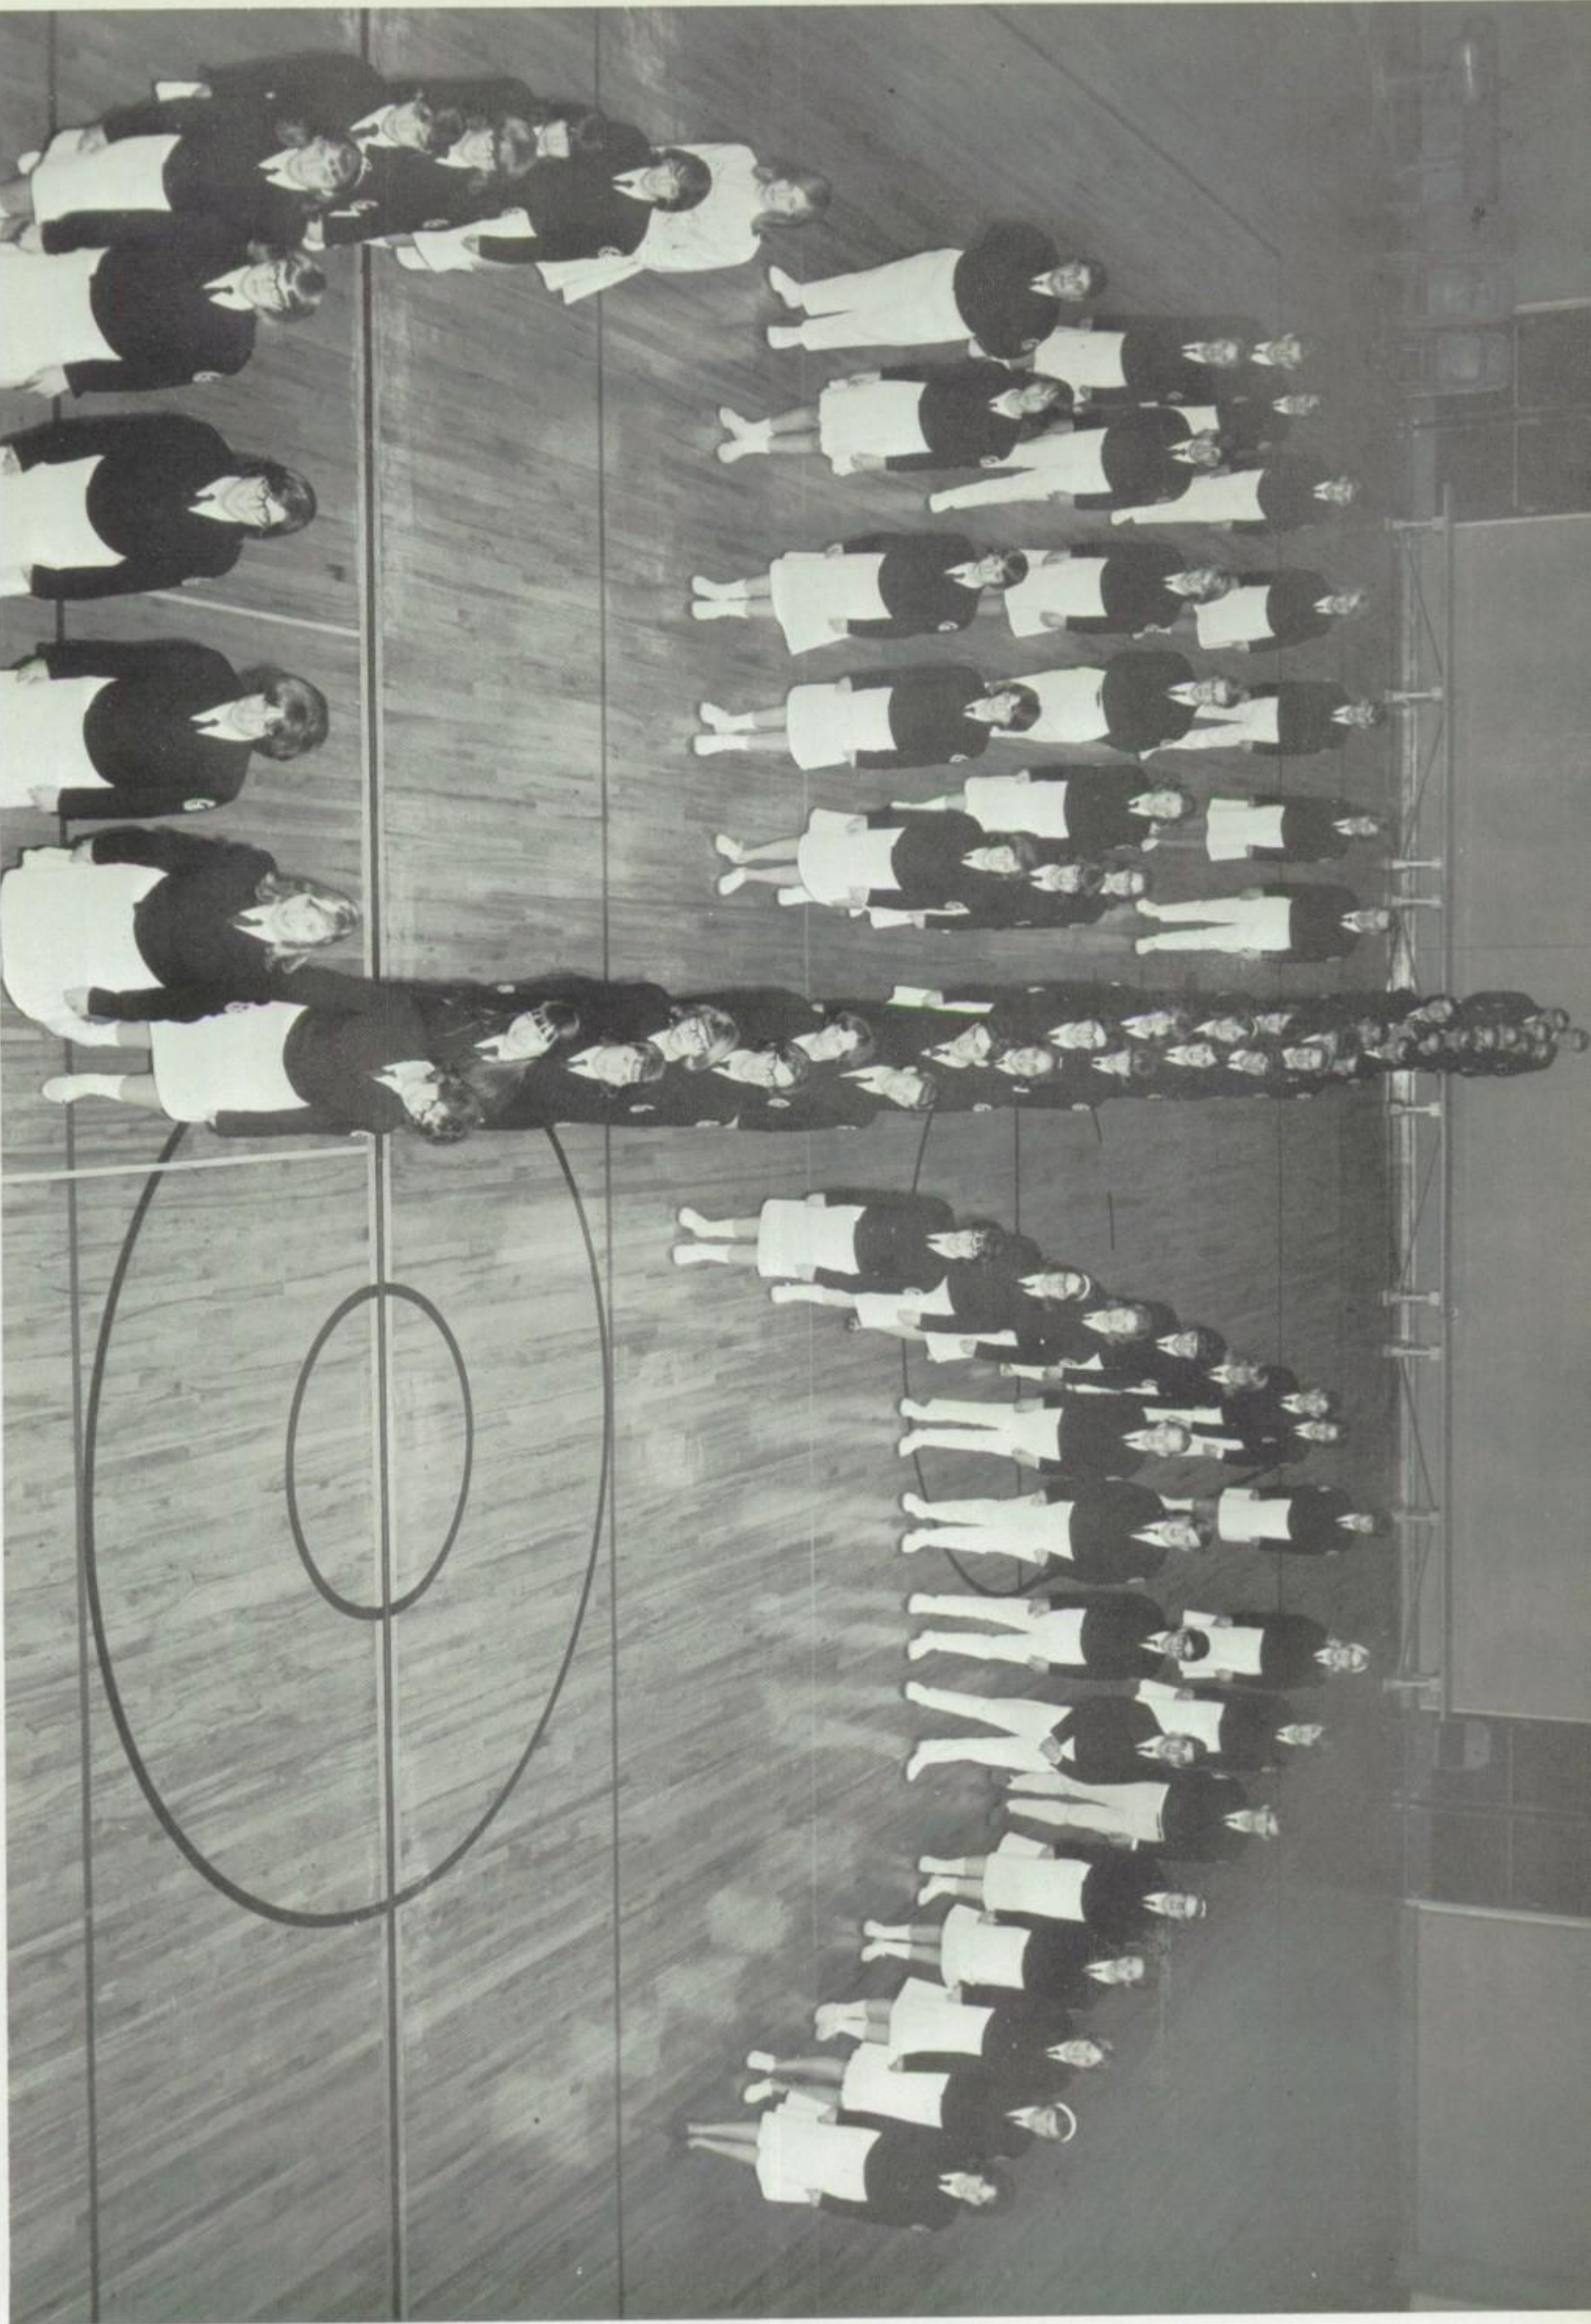

SECRETARY: Alice Kitchel

The band started its busy schedule at the annual Shrine Football Game in Hanover, New Hampshire. This opportunity put them in the mood for the coming football season where they decorated the field during the half time with insignias and designs while stepping to the stirring march music. During the halftime activities of the Winooski game the band divided into the green and white bands and competed in the battle of the band. The green band overcame the white band.

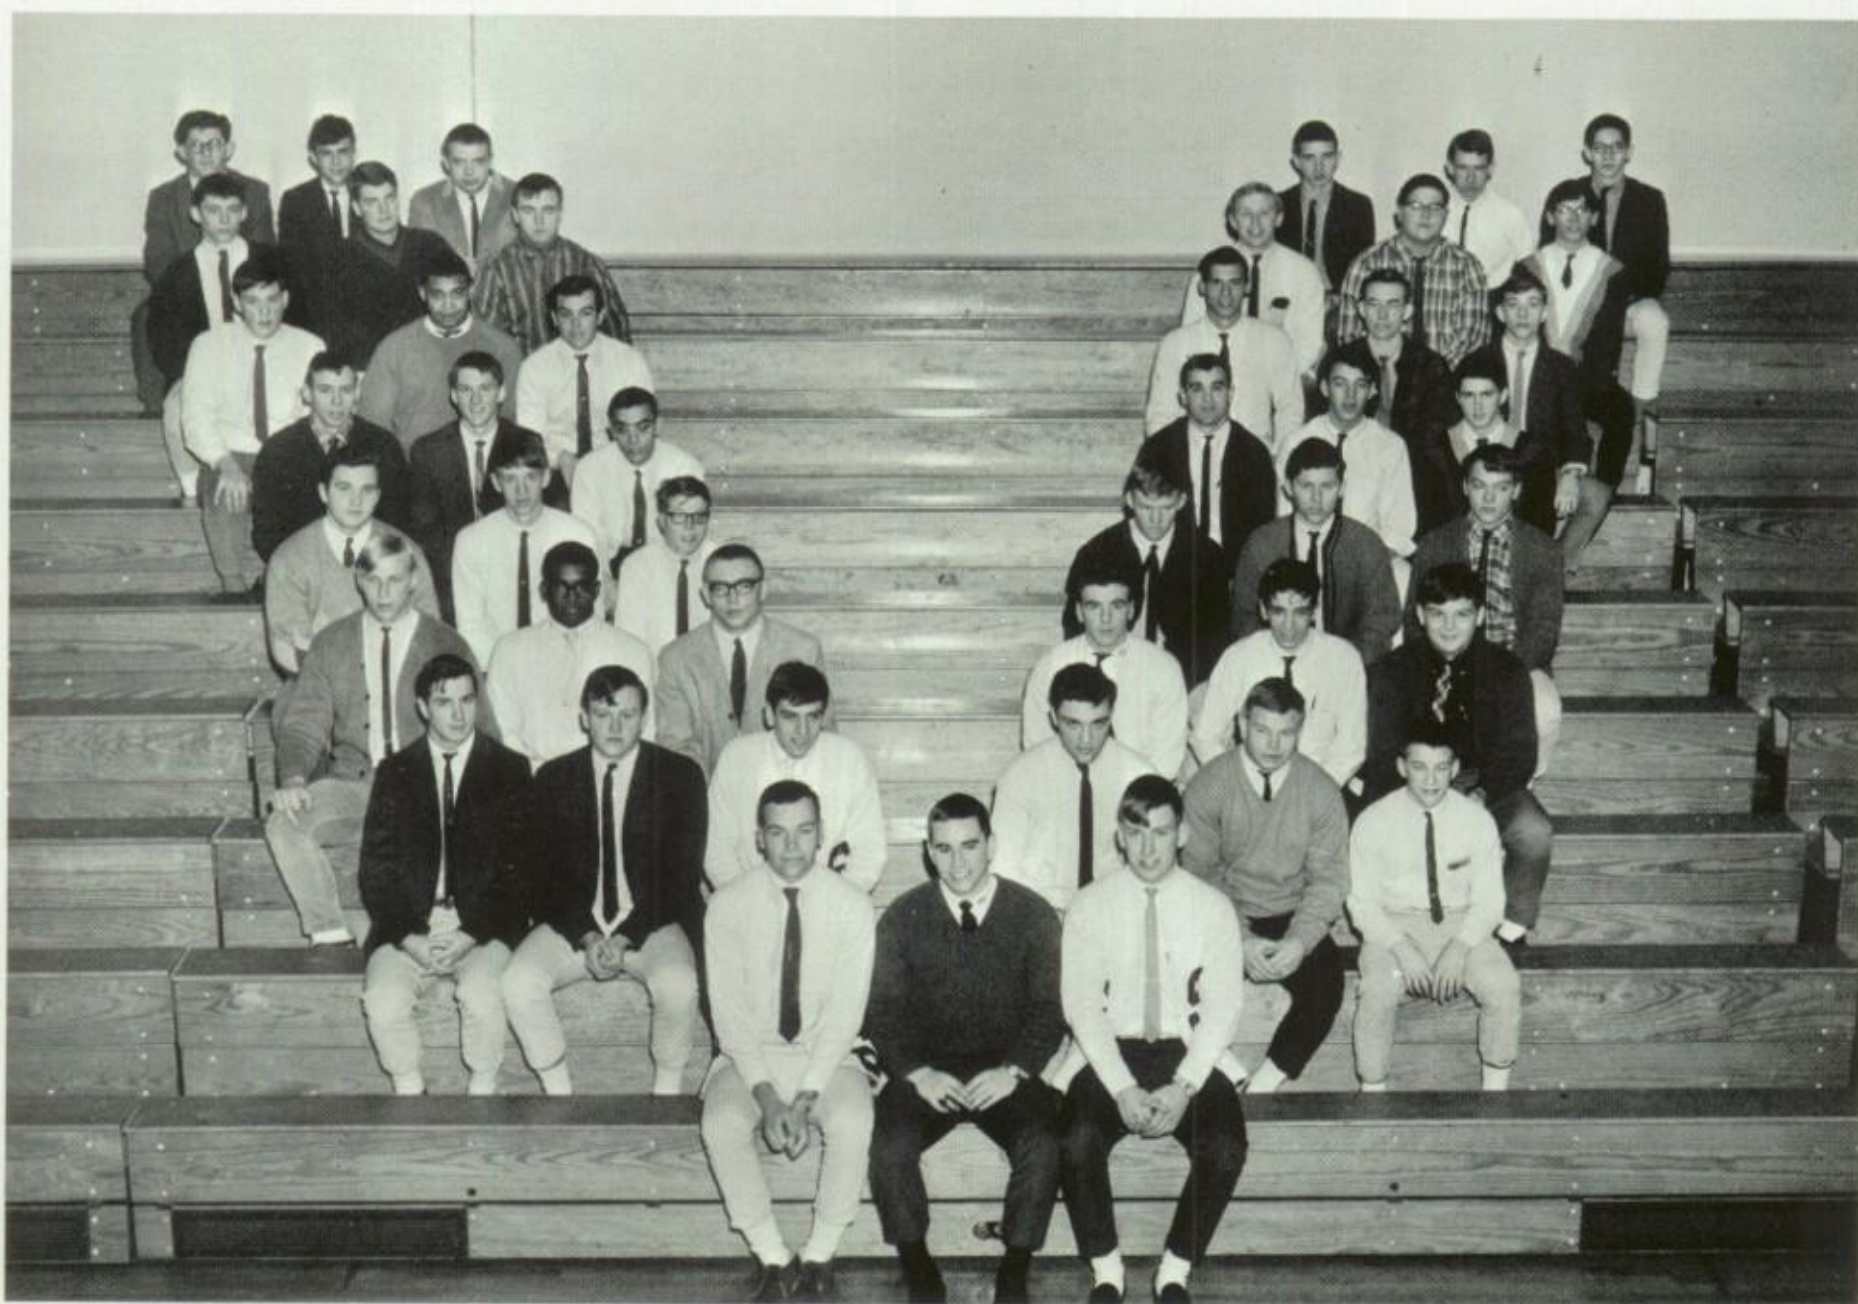

During December they held their annual December concert, which was a success as usual. In January several members of the band were sent off to Montreal where they attended the Mount Royal Music Festival.

During Easter Vacation the band waved a cheery good-bye and left for Washington, D. C., where they attended the Cherry Blossom Festival and proudly paraded through the streets of Washington. In the spring, a few of the band members attended the All-state Music Festival in Burlington. At the Commencement Concert many seniors played sadly for their last time and left the underclassmen to look forward to the coming year with the band. Many thanks goes to Mr. Messier for all the devoted hours he has put in developing the band and making these concerts and trips possible.

The members of the Varsity Club help to maintain the high standard of school spirit here at the Academy.

Chess Club

ADVISER: Mr. Easterling

The Chess Club held their meetings every Wednesday afternoon in Room 113. The first of the year was devoted to playing round robin tournaments, which gave the members a chance to display their playing abilities. During the Spring, after the selection of the top players had been determined, matches with other schools were scheduled. Many of the club members had shown great improvement. This was largely credited to the studying of many chess books donated by Mr. Easterling to the school library.

The "Lamp" found it necessary to make minor changes in its setup. The Creative Committee took charge of all activities and organizations, and a Sports Committee was established.

Although the main duty of the "Lamp" staff was to provide the school with a well-rounded yearbook, it also had to provide the money necessary for the book's publication. To provide these funds, the staff has carried out such projects as selling of ads and autographs, a record hop, a variety clothes day, a "Senior Auction," and, of course, the selling of subscriptions.

Christmas With Bix Smashing Success

The Christmas season seemed even gayer this year with the help of another sparkling "CHRISTMAS WITH BIX" extravaganza. There were eighteen acts which made this year's show a complete success. Among them were the "Rochettes," a spoof on "Snow White and the Seven Dwarfs," several pantomines, and, of course, Mr. Bixby's own number.

An added attraction was Roland Laperle, who played several selections on his electric organ and accompanied many of the groups.

A group of Seniors donned choir robes and carried lighted tapers to put the finishing touch on another successful show.

Bill Kittredge shows drive against Newport

Ted Graham barely misses pass in L.I. game

In football this year, the Academy enjoyed its "winningest" season in twelve years. Although billed as a rebuilding team before the season began, our boys surprised the entire north with a 29-7 victory over the highly touted Crimson Tide of Spaulding, showing the rest of the league that this was a good St. J. A. team. After losing to Burlington in the second game of the season, our boys decided that losing was not for them, and started a string of victories which led to a 7-1 season and a tie for the Northern League Crown.

This year's team, although it had a few individual stars, won for two reasons. The first reason is the fine coaching staff composed of Coach Burlingame, Coach Ingram, and Coach Racenet. The second reason is the fact that this year's team possessed all the qualities of a good team; namely, talent, spirit, and a determination to work hard even when things got rough. This year when "the going got tough," the Academy "got going."

"So--who's worried? We have two more games coming up!"

"Did he or didn't he make it?"

"Wake up! They may need you at halfback next game."

Defense closes in on Newport

ON THE SEASON

Facing the season with only two returnees from the previous year's tourney team that posted a sixteen won and four loss record, St. Johnsbury Academy began practices with high hopes but with the realization that the road ahead might be rough.

Entering the Class L Northern League for the first time on a full schedule basis, the Hilltoppers, in spite of their inexperience, gave a good account of themselves. Posting seven wins and nine losses with several of the games major upsets, the boys provided their followers with an exciting season. Wins over veteran clubs like B.F.A. of St. Albans, Spaulding of Barre, and Champlain Union, and a narrow loss to League Champions Montpelier would be highlights of the regular season. A playoff berth in the State Tourney was received and for three quarters the fighting Hilltoppers stayed right with top-seeded Rice Memorial only to fall to superior height and manpower in the final eight minutes.

Individual team honors were distributed as follows: Capt. Dennis Singleton won the rebounding honors with 9.9 per game; Richard Hazen was given the best defensive player award; Steve Lewis was top man in both foul shooting and field goal percentage as well as being voted by his teammates as the most valuable player.

Next year could be brighter for the Academy basketballers. Only two players graduate and with a year's experience gained, the 1966-67 edition could give the fans a great deal to cheer about!

MARCIA BONA (Capt.)

PEG McCAULEY

Booming voices and bouncing cartwheels characterize the cheerleaders during basketball season. The louder and more far out the cheers, the better, and many can agree that this year these girls have been the best.

"Go Team.....Fight!!"

"Not Again?!"

"Who says we're always upside down?"

Football Cheering

"Who said we couldn't Beat 'Em?!"

Pep rallies and football games wouldn't seem the same without this spirited group of young ladies cheering the team on to victory. They transmit much of the spirit which results from the crowds.

As Coach Burlingame has said, "These girls are part of what football really is."

3rd ROW: L. Letourneau, M. Root, D. Sherburne, R. Greenwood, C. Cummings, Mr. Ingram

This year's J.V. Basketball team was a fast-breaking, good shooting team which had a fine record. Although they suffered a few lapses on defense, the boys generally played good basketball and gave the fans an exciting game to watch. This year's team, under Coach Ingram is to be commended for its performance.

2nd ROW: Coach R. Frey, Capt. R. Player, M. Cowans, D. Singleton, C. Rousseau, J. Laferriere, K. Baldwin.

This year's cross country team enjoyed another fine season. Coached by Mr. Frey and led by Captain Bob Player, the team was undefeated in dual meet competition and also finished fourth in the Northern District Meet.

Cross Country at the Academy does not, perhaps, receive as much attention and support as do other sports, but the boys worked hard and deserve a lot of credit. The highlights of the season, which ended with a record of 6 wins and 0 losses, were the two wins over our arch rival, Lyndon Institute. In the three final races, the Academy placed as follows:

Twin Valley State Championship - - - - -	8th place
Northern District Meet - - - - -	4th place
Vermont State Meet - - - - -	9th place

The "Lamp" congratulates this year's team on its fine performance.

The Girls' Athletic Association is a recreational club for the girls of St. Johnsbury Academy. The girls have three main objectives for joining the club: (1) Enthusiasm in showing their ability in sports, (2) keeping the body trim, and (3) just having fun.

The spirit of the group is constantly kept alive with the enthusiasm of the officers and three coaches. The girls meet twice a week, taking part in the major competitive sports of field hockey in the fall, basketball in the winter, and softball in the spring. Other sports are volleyball, tennis, archery, and golf.

G.A.A. is one of the largest successfully formed clubs at the Academy, and we wish next year's members a successful year.

2nd ROW: J. Lormon, S. Robinson, Mr. Lormon, A. Hanson.

The Golf Team, coached by Mr. Lormon, is new at the Academy, having been formed in the spring of 1965. Although it played very few matches in its first year, it did have a match with the faculty and defeated them decisively.

Ski Team

1st ROW: G. Grenier, H. Robinson, G. Beck, D. Scott, W. Kimball, C. Nelson, D. Calderwood.

2nd ROW: Mr. Hoyt, T. Beck, R. Taplin, R. Ferlazo, A. Turner, J. Handelman, W. Filgate, A. Kunz.

The Ski Team, which is new at the Academy, is coached by Mr. Hoyt. The skiers have worked hard and have shown a vast improvement during the year. Because of its lack of experienced jumpers, the Academy could do no better than seventh in the Northern Meet. However, it did get fifth place in the slalom, featuring a fourth place finish by Greg Beck.

A.F.S. Weekend '66

Snowball fights, judo demonstrations, and getting dunked in pools were some of the "events" enjoyed by the A.F.S. students in Vermont. May 20-22 was the designated weekend for all of these students to get together in St. Johnsbury. Such places as Chile, Argentina, Austria, Australia, Japan, and Costa Rica were represented.

A highlight of the weekend was the International Folk Festival which was presented on Friday night with several visitors participating. Other events were a picnic, barbecue, dance, and a small party. The weekend was a huge success, and we hope it will become an annual custom.

"Have her turn around again?? Come on, boys, three times is enough!"

1966 Track

TRACK TEAM RETAINS STATE CHAMPIONSHIP!

The Academy track team was successful this year though it suffered heavily from graduation. In the words of Coach Frey, "This year the team had quality, but lacked in quantity." This was especially true in the javelin, hurdles, shot put, and the pole vault.

Dennis Singleton, one of the finest hurdlers ever seen in the state, set a new school record in the high hurdles with a time of 14.7. Captain Larry Rowe, Jeff Noyes, and Ron Greenwood are probably the best three javelin throwers ever assembled at the Academy or the rest of the state for that matter. Mike Parker put the shot 47 feet consistently; and Ron Powers, Ted Graham, and Paul Powers formed a strong nucleus of pole vaulters. Phil Chase and Craig Johnson performed well in the discus; and Dave Calderwood and Keith Blodgett improved rapidly as sprinters. Karl Baldwin was outstanding in the high jump. Freshmen Bob Gibson and Larry Crane ran the 440 and Jim Warden performed well in the 880. Bob Player ran in both the mile and two mile along with Carroll Rousseau, Don Bergerson, Joe Laferriere, and John Robie.

State champions were Dennis Singleton, hurler; Karl Baldwin, high jump; and Ted Graham, pole vault. The thrilling climax to our 1966 track season was the retaining of the State Championship. Congratulations to the team for a job well done!

Baseball

The 1966 Academy baseball season opened on a new field and hopes for an excellent season were high. However, the team had much difficulty finding winning ways. The Academy lost games to Hartford High School, Littleton, and Newport. The team did win two games against the Trade School, our cross-town rivals, by substantial margins. The "Lamp" congratulates the team on a fine effort.

Class Song

Tune: Theme from "A Summer Place"

We are leaving you
To carry on and then
We'll remember when
We were young
So free from care
The world seems strange to us
Yet we know we must
Take our place in the world
There are tears in our eyes
When we break the ties
With these we have known so long
Spirit we have shown
Traditions known
That are anywhere
When our class is there
In the school
On the field
Leading on.

We are leaving you
To carry on and then
We'll remember when
We were young
So free from care
The world seems strange to us
Yet we know we must
Take our place in the world
There is no turning back
When faced with a life
Of things we have yet to learn
Now the door swings aside
And opens wide
The sky is blue and clear
And the bells we hear
Ring farewell to St. J.
To our youth
To this day.
